If you love Urban Burger.....
be sure to stop by our two "sister"
restaurants; Urban Bar-B-Que Co.
2007 Chapman Ave. in Rockville
10163 New Hampshire Ave. in
Silver Spring.

"UBC" is from the creators of Urban BBQ.
For those of you whom have visited "UBQ" you
know we are very passionate about our "from
scratch menu", personalized customer service and
of course, having fun. We hope you will find these
and other qualities at...
Urban Burger Company.

We know in today's market you have thousands
of choices when it comes to dining out. You can be
assured that we do not take your business for
granted.

The money we receive from you will be used to
pay our mortgages, educate our children, help fuel
our company's growth. And if there is any left.....
never mind, there is nothing left.

For this location we have decorated in a theme
based around the United States Navy. However, we
are equally as proud and forever grateful for all the
men and women who have served in our military.

My father Franklin W. Calkins Jr. is a graduate
of the Naval Academy (class of 1965)
and served the Navy for over 30 years.

The memorabilia that drapes our walls was donated
by my father and many other naval veterans. I was
surprised to find that most of these items were
salvaged from dark attics, cold basements and
crowded garages.

Our three bulletin boards were installed for you, the
community. You are encouraged to put an ad for
your yard sale, a flyer for the school play, or just a
business card.

Whether you order our Bacon-Cheese Fries, the
Austin Club Salad, an Urban Burger,
or Fried Twinkie Sundae we think you will find all
our creations scrumptiously superlative.

Welcome to Urban Burger Company.
